Tonight Michael's world is turned upside down. He is the next contestant on the newest reality TV series: This is your Life: A Re-Integration into Reality. After being violently removed from his bed by masked hooligans, Michael is forced to confront the traumatic events of his past that have led him to his life of substance abuse and dishonesty. Michael in Primetime is a tour

de force theatre show that explores the world of television, and how it affects individuals on a daily basis.
